

FCL.1015 & AMC to FCL.1015 EXAMINER STANDARDISATION

PROPOSED REWORDING

(a) Applicants for an examiner certificate shall undertake an Examiner Core Course followed by the a Examiner Standardisation Course related to the particular examiner privileges sought. These courses shall be provided by the competent authority or by an approved training organization and approved by the competent authority

(b) ~~the standardization course shall include, at least:~~

~~(1) — 1 day of theoretical instruction;~~

~~(2) Observation of 1 skill test or proficiency test for the licences or ratings for which the applicant seeks the privilege to conduct tests and checks.~~

The **Examiner Core Course** is to cover the theoretical and practical principles of examining (see table below) and shall last at least two days.

This course shall contain instruction on the applicable requirements of Part-FCL and Part-Ops, the conduct of skill tests and proficiency checks, and their documentation and reporting.

Examiners shall also be briefed on the protection requirements for personal data, liability, accident insurance and fees, as applicable in the member state where they exercise their privileges

The **Standardisation Course**, which is to cover the practical aspects of examining for a particular license or rating, and will consist of a minimum number of days (see tables below). This course shall include Observation of 1 skill test or proficiency check for the licenses or ratings for which the applicant seeks the privilege to conduct tests and checks

~~(c) — The standardization course shall contain instruction on the applicable requirements of Part-FCL and Part-Ops, the conduct of skill tests and proficiency checks, and their documentation and reporting.~~

~~Examiners shall also be briefed on the protection requirements for personal data, liability, accident insurance and fees, as applicable in the member state where they exercise their privileges.~~

	EXAMINER CERTIFICATE – CORE COURSE
Pre-requisites	<p>Refer to FCL.1000 Examiner Certificates</p> <p>In addition, before attending the Core Course the ‘examiner applicant’ must have completed at least 1,000 hours of flight time as pilot of aeroplanes, including at least 100 hours of flight instruction</p>
Privileges	<p>None.</p> <p>The Core Course is a pre-requisite for attending any particular Examiner Standardisation Course</p>
Examiner Training	<p>2 days theoretical and instruction</p> <p>Day 1 FEM, Part-FCL, Part-OPS, CRM & human performance, records, data protection, insurance, national requirements</p> <p>Day 2 Structure of test/check: brief, flight, debrief Aim of flight test, key points for examining, examining v instructing, standards & tolerances, assessment</p>
